

Kensington International School Remote Learning

Grade 3: Monday, June 1st- Friday, June 5th

Hej Grade 3!

This is how you say hello in Swedish! That is the official language of Sweden which is our country of the week! We hope everyone had a wonderful weekend! The school year is almost over! Continue to work hard and finish the year off strong! We are very proud all of you!

Reminder: Parents, please make sure, as the new district policy states “To receive credit for the 4th marking period, elementary students must submit at least 60% of weekly assignments in each content area over the course of the marking period.” It is important to make sure you are emailing your completed work or sending it via ClassDojo.

Love Always,

Mr. K and Mrs. Walker

Mr. K- kiarehs@springfieldpublicschools.com

Mrs. Walker- oneillmi@springfieldpublicschools.com

This is the work that must be done to receive credit this week!**</p> <p>MAY DO:</p> <ol style="list-style-type: none">1. Fact fluency practice (flash cards, xtramath.com)2. i-Ready Math games AS LONG AS YOU HAVE 45 MINUTES 😊				

SCIENCE/SOCIAL STUDIES- All 3rd grade students

STEMScopes/ Discovery Ed /Online Videos/Various Resources

***This week in Science, we will begin a new unit on Force, Motion, and Friction. On Monday you will watch a video to help introduce the topics of Force, Motion, and Friction. You will need to answer some questions on Monday and on Tuesday, you will watch a loom video to review the vocabulary you learned on Monday. Wednesday, you will watch a video and write a short response about what you learned. Thursday, you will watch a video and “Test Yourself” based on what you have learned this week. Friday, of course, is FIELD TRIP FRIDAY!! 😊

<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>	<u>Thursday</u>	<u>Friday</u>
<p>This week we will be starting a new Science Unit on Force, Motion, and Friction.</p> <p>MUST DO: Watch the following video and answer the 4 questions below!</p> <p>https://www.youtube.com/watch?v=rfeVINL7d9U</p> <p>After watching the video, please answer the following questions and send to your teacher:</p> <ol style="list-style-type: none"> 1.) What is motion? 2.) What is speed? 3.) What is force? 4.) What is friction? 	<p>Today we will review what we learned yesterday. Please watch the loom video to review some vocabulary with Mrs. Walker!</p> <p>https://www.loom.com/share/1ecb984bd0984d7f9928306c76c22e56</p> <p>Try the activity in the video - you need to come up with examples of objects you may push or pull (using force!)</p>	<p>Watch the following video:</p> <p>https://www.generationgenius.com/videos/patterns-of-motion-and-friction-video-for-kids/</p> <p>Then, write 3-5 sentences about what you learned on motion and friction.</p>	<p>MUST DO: Go to the scholastic link below and click “Play Video”. Then, click on the “Test Yourself” button and answer the 7 questions to check your understanding of what you have learned this week!</p> <p>http://studyjams.scholastic.com/studyjams/jams/science/forces-and-motion/force-and-motion.htm</p> <p>Please send your teacher a picture of your score at the end of “Test Yourself”.</p>	<p>FIELD TRIP FRIDAY!!</p>  <p>https://www.wareteachers.com/slime-space-virtual-field-trip/</p> <p>Today you will take a field trip into space where you will hopefully learn a little bit more about force and gravity!</p>
