

Dear 5th graders and families,

This is our 8th week of online learning.

Remember, in order to receive credit, each student must complete ONE assignment per subject. This includes reading, writing, math, science, and social studies. Below we indicated which assignment must be turned in to receive credit for the week. Students can work on the assignment throughout the week and turn it in on Friday for feedback!

In addition, each student must complete 45 minutes on i-Ready for math and reading.

Please join us for our weekly Zoom check-in on Monday June 1st at 11:30! The information will be posted on our ClassDojo story!
