

Mrs. Goldsmith Week of June 8 – June 12

Hello, my third-grade friends! This week the MUST DOS are to complete both i-Ready standards mastery assessments, reading and math. Please take your time and try your best! Remember, if you need to take notes or work out a problem, you can use scrap paper. 😊

Grade 3

Reading - <https://www.raz-kids.com/>

I have loaded books for you to listen to or read independently for enjoyment.

Watch the video and I'll show you how to do it.

Third Grade Writing –

- Make a list of top 10 foods that you do not like.
- Write a paragraph telling what the foods are and why you do not like them. The paragraph must be at least 5 sentences long.
- Read and edit your paragraph. Check for periods, capital letters, and how your writing piece sounds. Send it to your teacher through ClassDojo or text it to me.

Math

Last week we started talking about how shapes are alike and how they are different.

Don't forget to read closely and work out the problems when completing i-Ready this week. I know you can do it! I love you and miss you bunches!

Love, Mrs. Goldsmith
