Below are six activities. Choose at least 1 from each category to complete this week!

Feel free to email me pictures and videos of your work!

Watch and Listen	1. Watch one man play 90 different instruments! https://www.youtube.com/watch?v=Ml0uxicuDvk
	2. Play Simon Says! https://www.youtube.com/watch?v=lob3Q7TKmQQ
Explore	3. Explore your prior knowledge. Do you remember any songs we sang in music class? Sing them to someone in your household! If it was a game, teach them how to play the game!
	4. Make your own rubber band guitar! You'll need an adult's help for this one. <ul style="list-style-type: none"> - You'll need: a container with a hole in it (empty tissue boxes, shoe boxes, and bread pans work great, but any similar, empty container will work!) and some rubber bands! - Stretch the rubber bands around the container, and pluck them to create sound. - Discuss: what happens when you pull the rubber band tighter? What happens when you loosen it? <div>    </div>
Create	5. Make up a dance to your favorite song. (OPTIONAL: have an adult help you turn it into a music video!)
	6. Learn to draw Mr. Sun. Follow this drawing tutorial, and choose your own colors to color it in! https://www.youtube.com/watch?v=dfDxTeObDaM
