

Mrs. Goldsmith Week of May 26 – May 29 email address: goldsmithk@springfieldpublicschools.com

Grade 3

Reading - <https://www.raz-kids.com/>

I have uploaded books to Raz-Kids for you to read or listen to. You must complete one comprehension test per week to get credit for reading for the fourth quarter.

Watch the video and I'll show you what you need to do.

Writing – Last week I asked you to make 3 lists: things you like to do alone, things you like to do with your family, and things you miss doing because you are social distancing.

Take one idea from one of the lists of things you like to do and write a paragraph about that topic.

- It needs to be at least five sentences long.
- In the first sentence you need to state what you like to do.
- In the next three sentences you need to tell the different reasons why you like the activity.
- Your final sentence will be your conclusion restating what you like to do.

When you are finished you need to read it to a family member. Make sure it sounds like a complete thought. Then, add at least two more adjectives (describing words). Use your computer to check your spelling and then either send me a picture or email it to me for credit this week.

Math – Last week you should have worked on equivalent fractions with Mrs. Walker. We will continue this week. Watch each video throughout the week and you will complete the quiz on Friday and then either send me a picture or email it to me for credit this week.
