Can do	<p>2. Create a piece of art using things you would normally consider trash. Do you have some old food wrappers? Maybe an empty cardboard box? What about an empty water bottle or soda can? Create art using something you would usually throw away! Cutting, gluing, coloring, and tracing are all great places to start! What will you make? A sculpture? A painting? A drawing? Send me an email with your finished product!</p> <p>3. Create a dance to a song that someone else chooses for you! Have someone you live with choose a song for you. Listen to the song a few times, then make up a dance for it on your own or with someone's help!</p>
