Explore	3. Play some music games! <a href="https://pbskids.org/games/music/">https://pbskids.org/games/music/</a>
	4. Find something that makes sound when you tap it. Does this remind you of any instruments you already know? Choose a name for your new instrument and use it to play along to a song!
Create	5. Make up your own dance to your favorite song!
	6. You'll need an adult's help for this one! Use four similar drinking glasses. In each glass, pour a different amount of water. Use a spoon (or your fingernail) to tap on each glass. What do you notice about the sounds? Play a song!  Pro tip – if you don't like how the glasses sound, try changing the amount of water in them!
