

Happy last week of school!

June 15, 2020 – June 19, 2020

We can't believe the school year is over! We never would have thought that this is how the school year would end. We wish we could be celebrating in person and able to say our final goodbyes!

The lessons will be a little different this week. **Each student must complete the Standards Mastery Assessment on i-Ready for both math and reading.** In addition, students can complete any of the optional assignments we have created!

We will have one last zoom meeting on Monday, June 15th at 11:30! At that time, we will present a special slideshow to celebrate the end of 5th grade. All families are welcome to join! The zoom link will be posted on ClassDojo!

We will miss all of you next year! Best of luck in middle school!

Love,

Ms. Chisholm and Ms. Greene

Must Do

- **Reading i-Ready Standards Mastery Assessment**

May Do (Optional)

- Create an acrostic poem using your name. Each letter should represent something that we have learned or done this school year.
- Write a journal entry about what you are looking forward to doing this summer.
- Practice writing in cursive. Here are some videos that will help you learn different letters!
